The allegations beside their sources

November 4, 2025 hearing and selected underlying records | HR01 | October 17, 2026

This selection preserves the distinction between allegations, corrections, native-message exports and court findings. It is a documentary companion, not a certified transcript or a complete case file.

Page 2: Jun's October 30 declaration joins medication and restraint words under Annie's name. Page 3: his hearing-morning correction identifies a different speaker for the restraint remark. Annie's medication words remain hers.

Page 4: iMazing source page 108 dates the profane exchange to September 30, 2024. Jun's preceding overprice remark and further hostile replies remain visible. Header contact details and device/backup identifiers are excluded. The export does not state a timezone.

Page 5: selected Meta JSON entries supply separate October 24 speakers and timestamps, including the later greeting to Jun and Aileen. This unfavorable context complicates any blanket assertion that no relay was intended. Times are converted from timestamp_ms to America/Los_Angeles.

Page 9: selected July 18 native entries preserve the two 911 messages and immediately preceding hostility, with the child name redacted.

Pages 6-8: the July petition's answer about children, the temporary-denial reason and the later requested dismissal. These concern a separate district-court case. They do not establish that every allegation was false.

The reviewed hearing transcript is audio-checked by Romeo Belocura, not a certified court transcript. The written November denial and addendum, including the contact warning, are linked separately on the website. A repeated case-number heading in the addendum is preserved as a source limitation.

Redactions remove contact details and unnecessary third-party identities. Images are rasterized after redaction; originals are preserved privately. Native text on page 5 is a labeled source-text derivative, not a screenshot. No public audio is included.

Jun declaration filed October 30, 2025, 1:43 p.m. | cause 25-2-03906-0 | document 61298422, original p. 2. Allegations, not findings.

Messenger thread that contained threatening, intimidating, and harassing messages directed toward us, and that were meant to be communicated to us. My father-in-law is in the group chat, along with other various family members, including Respondent.

3. Attached as exhibit A are screenshots dated October 24, 2025, showing the threatening and harassing messages sent in the group chat. Respondent is identified as "Meong" in the chat, and Respondent's wife, Annie Rhea Augusto, is identified as "Ara." As some messages are in Cebuano, which I speak and read fluently, I am able to provide unofficial translations.

4. The messages clearly show mockery, plotting, and coordinated hostility following the service of the TRO. Examples include messages such as:

a. – "Eh di mas maayo! Hello Jun and Aileen!! So you want to take this fight to this level? I accept." – Sent by Respondent.

b. – "They just never stop… they are digging their own graves… now it begins." – Sent by Respondent.

c. – "Murag 'Crime of Passion' lang? Hahah! Bitter? Hehe." – Sent by Respondent.

d. – "Seroquel na this, plus haldol. Pinel restraints!" – Sent by Annie Rhea Augusto.

5. These remarks are derogatory, mocking, and threatening in nature. The reference to "Seroquel" and "Haldol" is highly alarming — both are powerful antipsychotic medications that can cause severe sedation, confusion, loss of consciousness, respiratory distress, and in some cases, death if misused or administered without medical supervision.

6. The mention of "Pinel restraints" — a type of medical restraint system used to immobilize patients — implies involuntary physical restraint or strapping down of a person. When

The hearing-morning correction

Jun correction filed November 4, 2025, 9:23 a.m. | document 61311662, p. 1. Another family member's name is redacted.

IN THE SUPERIOR COURT OF THE STATE OF WASHINGTON
IN AND FOR PIERCE COUNTY

JUN CHRISTOPHER MANUEL CAPINPIN, and AILEEN GRACE AUGUSTO CAPINPIN, **Petitioners,** **vs.** **ROMEO BELOCURA, JR.,** **Respondent.**	**Cause No. 25-2-03906-0** **DECLARATION OF JUN CHRISTOPHER MANUEL CAPINPIN**

JUN CHRISTOPHER MANUEL CAPINPIN declares as follows:

1. I am over the age of 21 and am otherwise competent in all respects to testify as to the matters that follow. I am a Petitioner in this matter and husband of Aileen Grace August Capinpin. The following statements are based on my personal knowledge and observations.

2. I am filing this declaration to correct a statement in my prior declaration in which I indicated that that Annie Rhea Augusto mentioned "pinel restraints." While Annie Rhea Augusto did say "Seroquel na this, plus haldol," the mention of "pinel restraints" was from [redacted] "[redacted]" [redacted], someone not part of the protective order.

This is a selected window; earlier and later conversation is omitted. The medication and restraint messages are insulting remarks. This derivative does not endorse a medical diagnosis or decide whether any words were threats.

So you want to take this fight to this level? I accept.

July 24: notice was required

Temporary denial, original p. 2. The checked reason is insufficient basis for temporary relief without notice; a full hearing was scheduled.

Temporary Order Findings

B. ☐ **No basis. Do not schedule hearing.** The *Petition for Protection Order* does not list a specific incident and approximate date of behavior that would support a domestic violence, stalking, antiharassment, sexual assault, or vulnerable adult protection order as defined in RCW 7.105.100.The Protected Person should have **14 days to amend** their petition before dismissal.

C. ☒ **Notice required. Schedule for full hearing.** The protected person has not shown that there is a sufficient basis to enter a temporary order without notice to the ☒ opposing party ☐ vulnerable adult.
The court will grant or deny the protection order after a hearing with notice.

Final Order Findings

D. ☐ **Request.** The Protected Person requested dismissal of petition.

E. ☐ **Service unsuccessful or impossible.** All available methods of service have been attempted unsuccessfully or are not possible.

F. ☐ **Insufficient evidence.** A preponderance of the evidence does not support issuing any type of protection order that this court has authority to issue.

G. ☐ **Insufficient evidence (vulnerable adult contests).** Clear cogent, and convincing evidence has not established that there is abandonment, abuse, financial exploitation, or neglect of a vulnerable adult. (*When a vulnerable adult protection order is contested by the vulnerable adult.*)

H. ☐ **Evidence.** ☐ Protected Person ☐ Restrained Person supports their account of events with the following evidence (*specify*):_____

I. ☐ **Realignment.** (*DV or Harassment only*) The original Protected Person is the abuser or harasser and the original Restrained Person is the victim of domestic violence or unlawful harassment. The parties should be switched.

Renewal Findings

J. ☐ The **Restrained Person proved** by a preponderance of the evidence that there has been a substantial change in circumstances (describe) _____
and the Restrained Person will **not:**

August 5: requested dismissal

Final denial, original p. 4. Dismissed without prejudice at the protected person's request/nonappearance; denial on the merits is not checked.

assault, stalking, unlawful harassment, and other harmful acts that resulted in the issuance of the protection order were of such severity that the order should not be terminated.

General Findings

N. ☐ **Other:** _____

4. Order

☐ **Petition denied without a full hearing. 14 days to amend before dismissal.** The petition does not contain allegations that could support issuing any type of protection order. The person who filed the petition has 14 days to file an amended petition. If an amended petition is not filed within 14 days, the case may be dismissed.

Temporary Order

☐ **Temporary Order denied. Full hearing to be held.** The request for a temporary order is denied. The court will approve or deny the protection order after a full hearing with notice. The hearing the date and time is **shown on page 1**.

☐ **Dismissed by** request without prejudice. (check ORDSM (dismissed) above)

Final Order

☒ **Dismissed.** without prejudice because (check one):

☒ Protected Person's asked to terminate the order or did not appear at the hearing.

Any previously entered temporary order and any order to surrender weapons under this case number expires today, upon the signing of this order or at (time) _____.

(In caption above, *check ORDSM (dismissed))*

☐ **Denied on the merits after a hearing.** The request for a full order is denied. Any previously entered temporary order under this case number expires today, upon the signing of this order or at (*time*) _____.

Check one (see RCW 7.105.362):

☐ No Order to Surrender Weapons was issued under this case number. The case is dismissed.

☐ The court issues an Order Extending Order to Surrender and Prohibit Weapons (WS 400) extending the Order to Prohibit and Surrender Weapons until after the deadline for filing a motion for reconsideration or revision has passed and any timely filed motion has been resolved.

☐ Any previously entered Order to Surrender Weapons under this case number expires today, upon the signing of this order or at (*time*) _____ and the case is dismissed. ☐ The *Temporary Protection Order* was entirely without merit.

☐ Petitioner was engaged in abusive use of litigation.

The July 18 native 911 messages

Meta JSON: adultsonlyaugustofam_24556009487335571/message_1.json | selected entries | PDT

The selected messages below preserve the preceding hostile wording as well as the 911 wording. This is a source-text derivative, not a screenshot. The child name is redacted. Earlier and later conversation is omitted; the complete export remains private.

22:20:25 PDT - Romeo

Tissues for your issues. You brought this upon yourselves. Now skeletons are out of the closet. Show your true colors then turn on the waterworks. Does not change the fact who expects to profit off of someone else's hard work. Did you screenshot this na?!

22:22:08 PDT - Romeo

Would be good to know when and how to call for help when the time comes. 911 is the number.

22:22:23 PDT - Annie

Yeah and teach [child name redacted] call 911. Stay safe

22:24:57 PDT - Romeo

BS

The court later found the contextual explanation of the 911 statement credible. That is a bounded finding, not an endorsement of every surrounding message or a determination that historical family-abuse allegations were true.
